Dear Newt:

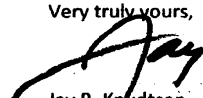

I am in receipt of your Craftsman Independent Union mailing that includes a very professionally done brochure.

As I look through this information, I was reminded of how blessed and fortunate we are to have Craftsman Independent Union in Cape Girardeau! Because of your superb leadership, you have organized thousands of skilled workers and made a huge impact on their families and all of Cape Girardeau.

I consider you a real friend and let there be no mistake, Cape Girardeau also considers you a great friend!

Thanks for all your support Newt, and I look forward to seeing you soon!

Very truly yours,

Jay B. Knudtson
Mayor
